## Transforming the Future of Public Health in Missouri

---

### **Steering Committee Meeting October 31, 2017**

Those in attendance were: Robert Niezgoda, Jo Anderson, Bert Malone, Casey Parnell, Jaci McReynolds and Sandra Boeckman

#### Discussion Items

The date for the next quarterly LPHA's Jefferson City meeting was discussed as January 9 and/or 10. TFPH will plan another face to face meeting during that time frame.

Stakeholders lists were discussed and how to prioritize the different groups. Also discussed was how to give access to all members of the committee to work on this same list simultaneously. Jaci and Casey will work on an online version for the committee.

The committee reviewed the new staff announcement and the draft of the Facebook page with the #HealthierMO tag line. Jaci also discussed the need for a website with links to MPHA website. It was decided that the site would be [www.healthiermo.org](http://www.healthiermo.org) and the announcements would go out after the November 8 call, no later than November 10.

Casey asked if the steering committee could be added to the DHSS Friday Fax. Jo will do this.

Casey announced that the RFP for the facilitator went out last week with a deadline of November 10 at 4:00 p.m.

Boeckman was asked about setting up a phone call to the Foundation contacts with Robert, Jaci and Casey participating.

The Foundation contacts are: Jean Freeman-Crawford, Missouri Foundation for Health  
Brad Hart, Health Care Foundation of Greater Kansas City
